Forward-Looking Statements

This communication contains “forward-looking” statements as that term is defined in the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements regarding the proposed acquisition of TiVo and expected transaction timing. A number of factors could cause Rovi’s and TiVo’s actual results to differ from anticipated results expressed in such forward-looking statements. Such factors include, among others, 1) uncertainties as to the timing of the consummation of the transaction and the ability of each party to consummate the transaction; 2) the satisfaction of the closing conditions to the transaction, including the approval of the transaction by Rovi’s and TiVo’s stockholders; and 3) failure to realize the anticipated benefits of the proposed transaction, including as a result of delay in completing the transaction or integrating the businesses of Rovi and TiVo. The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein and elsewhere, including the Risk Factors included in Rovi’s Annual Report on Form 10-K for the period ended December 31, 2015 and Rovi’s Quarterly Report on Form 10-Q for the period ended March 31, 2016, TiVo’s Annual Report on Form 10-K for the period ended January 31, 2016 and TiVo’s Quarterly Report on Form 10-Q for the period ended April 30, 2016, and other securities filings which are on file with the Securities and Exchange Commission (available at www.sec.gov). Neither company assumes any obligation to update any forward-looking statements except as required by law.
